#### Final review Check List!

- o Organic form : **clay model** of animal head
- o Geometric surface/structure **chip board model**
- o **1/2 scale mock up** light vessel between you and your partner
- o Draft half size drawing(s) Please bring all of them
- o Final **125cm long drawing** : Not a technical drawing, but rather a supportive drawing for your physical model. what can you show us in this drawing which the physical model cannot? what is the background? this drawing has to be beautiful or you will be asked to not show it!
- o **Final Model of Light Vessel** between you and your partner
- o **Digital portfolio**(CD) with two folders of cardboard chair and Light Vessel. This includes photos of all of your drawings and models for each project, process work and Final Results.

**Please Set up for the review at 4:45pm**
